Dear Friends at Mangalorean Catholic Association,

On behalf of the Legacy of Life Foundation, Inc., thank you for your financial gift which is helping all the women who have chosen life this year! Your generous gift of \$1,000.00 is helping save babies and transform the lives of their mothers!

Your gift is helping to fund all the expenses for the Ultrasound services in Bucks and Philadelphia. The Ultrasound service saves lives by showing the mothers the first pictures of their children.

You are investing in the STAR Motherhood program which helps these new families with basic needs for their babies and learn new parenting skills.

Your giving is making a difference in so many ways but most especially saving lives through ultrasound, counseling and educational services to mothers and babies!

We will update you on how the babies and their mothers are doing!

You are in our prayers – you can send us any prayer petitions you have by going to www.legacyoflifefoundation.org.

The women and children are praying for you and your family!

Sincerely,

Marje Joseph

Dear Mangalorean Catholic Association of East Coast,

On behalf of the Shanti Bhavan boarding school, we gratefully acknowledge your recent donation of \$1000. Your support is helping us continue our mission of providing quality education to the impoverished, forgotten children of rural India. Our cause is well articulated in this reflection of one volunteer to Shanti Bhavan:

“Shanti Bhavan fully embodies its name as a ‘haven of peace.’ The children are taken from the grips of malnutrition, abuse, and neglect and are given the loving, gentle care every child deserves. They are nurtured emotionally and educated with expectations of excellence. The result is an intellectual curiosity, a deep sense of compassion for others, optimism in their future, and a desire to use these tools to help others in abject poverty.”

Once again, thank you for joining the Shanti Bhavan community and for your gracious and generous support. It means the world to us and the children of Shanti Bhavan. Please visit us as often as you can at our website: <http://www.shantibhavanchildren.org>.
